A list will be made of what items will be acceptable. Donations will be routed through the Seton Center in Princess Anne and Immanuel Church in Crisfield.

It was also mentioned that Ashley Gilson and Jaime were invited to the Crisfield High School on December 18th to provide an information table for their ‘Family Night’. They also attended a Judy Center event held at Woodson Elementary, ‘PJ Literacy Night’ on January 23rd.

She also mentioned Becky Pratte’s outreach with Greenwood Elementary school. Becky has been recording video messages promoting the library that are being shown daily on the morning announcements.

## **GOVERNANCE:**

A Revised Sick Leave Policy was included in the packet and is listed below.

### **6.6 Sick Leave**

Paid sick leave is offered by the library to all employees for periods of temporary absence due to illnesses or injuries. The employee may use leave for the following reasons:

- To care for or treat the employee's own mental or physical illness, injury, or condition.
- To obtain preventive medical care for the employee or family member.
- To care for a family member's mental or physical illness, injury, or condition.
- For maternity or paternity leave.
- For absences due to domestic violence, sexual assault, or stalking during the employee's relocation or to obtain for the employee or family member:
  - Medical or mental health attention;
  - Services from a victim services organization; or
  - Legal services.

Family members are defined as:

- Spouse or domestic partner.
- Child, including biological, foster, adopted, or step, as well as one for whom the employee has legal or physical custody or guardianship, or stands in loco parentis (i.e. acts as the parent, regardless of the legal relationship), or child's spouse.
- Parent, including biological, foster, adopted, or step for the employee or the employee's spouse, as well as one who was the legal guardian of or stood in loco parentis to the employee or employee's spouse, or parent's spouse.
- Grandparent, including biological, foster, adopted, or step, of the employee.
- Grandchild, including biological, foster, adopted, or step, of the employee.
- Sibling, including biological, foster, adopted, or step, of the employee.

Sick leave is earned at the rate of one (1) day a month. Sick leave for part time employees is prorated on the number of hours worked. Once an employee has been employed at the library for six (6) months, they may request sick leave before it has been earned for up to five (5) working days. All vacation time must have been used first and the additional unearned days will be granted on a case-by-case basis by the Director.

Employees who are unable to report to work due to illness or injury should notify their supervisor before the scheduled start of their workday if possible. The supervisor must also be contacted on each additional day of absence.

If an employee is absent for three or more consecutive days due to illness or injury, the library may require a physician's statement to verify the disability and its beginning and expected ending dates. Such verification may be requested for other sick leave absences as well and may be required as a condition to receiving sick leave benefits. Sick leave can be carried over year to year and a portion of it can be applied towards retirement.

There is no cap on accrual of sick leave; it is unlimited.

If an employee uses all their accumulated sick leave, they must also use accumulated vacation leave before they can apply for leave without pay for a period not to exceed one (1) year. Usage of advanced sick leave may be requested and must have the approval of the Director.

## **Student Cards**

The agreement as discussed with Dr. Gaddis was identical to the agreement in Wicomico County, which states that cards will be available to all public school students allowing them to borrow three books from the juvenile collections and access to computers and databases within the library. The school board had questions regarding the privacy of student data and the Family Educational Rights and Privacy Act (FERPA). Their lawyer has vetted the agreement, and the School Board is prepared to agree Tuesday, February 13th.

Next steps are to design the flyer for distribution to parents and set up the technical end of the data transfer. Mr. Goyda is working on the technical end.

Mr. Goyda mentioned that as soon as everyone/everything is ready, there will be a soft launch, then in May the actual launch will take place.

President Smith asked for a motion to accept the contract for the virtual student cards. Motion was made by Ms. Turner, seconded by Ms. Outten, and was unanimously approved.
